## CLASSROOM NEWS

Dear Students and Parents,

Welcome to March! This month brings a special atmosphere to our campus as we embrace the blessings of Ramadan with a spirit of reflection, kindness, and togetherness. It's a time to support one another and find balance between our studies and spiritual growth.

We also look forward to celebrating Pakistan Resolution Day on 23rd March, a moment to honor our history and the vision that shaped our nation. Special activities will be held to instill patriotism and appreciation for our country's journey.

Alongside these significant events, we continue to stay dedicated to our academic progress. Let's remain focused, manage our time well, and make the most of this meaningful month. Wishing everyone a productive and fulfilling March!

Warm regards,  
Miss Navera
